**Summerlin Rotary Professional Development Seminar Series
presents**

CYBER SECURITY & INTERNET SAFETY FOR YOUR BUSINESS

Wednesday September 14, 2022
5:00-6:00 PM
West Sahara Library
9600 W. Sahara, Las Vegas NV

Presented by:
Nicholas Rosario
Cyber Security Manager
Stimulus Technologies

Nick is a long-time advocate of “**Digital Self Defense.**”
His background in psychology, martial arts and computer hacking has contributed to his
research on cyberstalking
and the prevention of such activities.

He has a passion for technology including software telephony and home automation.
Building bridges between psychology and technology has become his life’s mission.

Attendance is free
Registration is required

**This seminar is for anyone who owns or manages a business and relies on
computers and networks.**
**It also is valuable for those who want to protect your personal computers and
mobile devices.**
